

Melbourne Rebels vs Queensland Reds

Super Rugby Pacific 2024

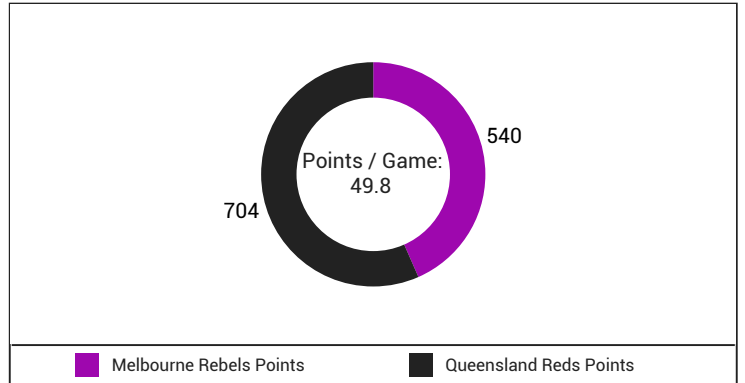

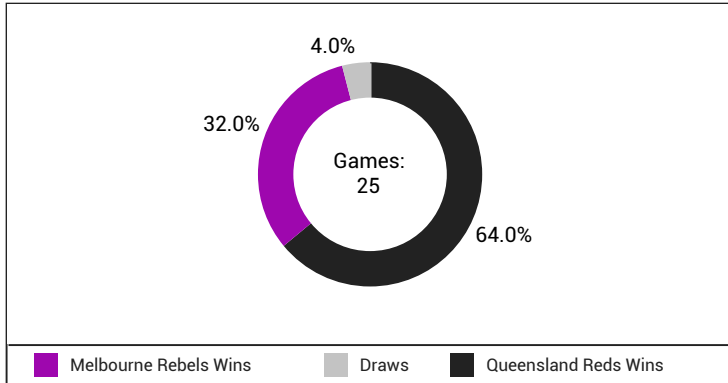

Opta Facts

- The Melbourne Rebels defeated the Queensland Reds 40-34 when they last met in Super Rugby Pacific (25 March 2023), snapping a seven-match winless run against the Reds in Super Rugby (D1 L6); the Rebels will be aiming for back-to-back wins against the Reds for the first time since May 2019.
- The Melbourne Rebels have won each of their last two matches in Super Rugby Pacific; a third consecutive win in this match would equal the Rebels' longest winning run in Super Rugby history (x4 – July to August in 2020, February to March in 2019, May to June in 2018 and February to March in 2018).
- The Queensland Reds have lost their last four Super Rugby Pacific matches outside Queensland; the last time the Reds recorded a longer losing run outside their home state in Super Rugby was a seven-match span from May 2019 to March 2020.
- Five of the Melbourne Rebels' last seven Super Rugby Pacific matches at AAMI Park have seen the winning team score 40+ points on the day; the Rebels have won three of those seven games (L4), scoring 45+ points in each of their last two wins in that span.
- Despite being one of the six teams to gain fewer than 500 metres per match with ball in hand (482), the Melbourne Rebels have averaged the most metres in contact of any team in Super Rugby Pacific this year (229).
- The Queensland Reds boast the best lineout success rate in Super Rugby Pacific this season (90%), having won 47 of their 52 throws, while they're one of just two teams yet to lose a scrum on their own feed this season (18/18, also Fijian Drua – 27/27).
- The Melbourne Rebels' Carter Gordon (8.3) and Queensland Reds' Tom Lynagh (7.3) have made more kicks in play per game than any other Australian players in the 2024 Super Rugby Pacific season.
- Ryan Louwrens (Melbourne Rebels) has made 3.5 kicks in play per 80 minutes resulting in his team retaining possession this Super Rugby Pacific season, the most of any player in the competition.
- Three of the five players to have arrived first at the most attacking rucks this Super Rugby Pacific season represent the Queensland Reds (Liam Wright – 34, Ryan Smith – 32 and Fraser McReight – 31).
- Jordan Petaia (Queensland Reds) has logged 92% of his total metres gained from kick returns (130/141) in the 2024 Super Rugby Pacific season, the highest rate of any player in the competition.
