### **SANZAAR NEWS RELEASE**

#### **Tuaina Taulima suspended for three weeks**

The SANZAAR Foul Play Review Committee has accepted a guilty plea from Tuaina Taulima of the Reds for contravening Law 9.20: Dangerous play in a ruck or maul, after he was Red Carded during a Super Rugby Pacific Match on Tuesday.

Taulima has been suspended from all forms of the game up to and including 29 April 2022.

The incident occurred in the 33rd minute of the match between the Reds and Brumbies played at Suncorp Stadium in Brisbane on 2 April 2022.

The SANZAAR Foul Play Review Committee of Michael Heron QC (Chairman), Stefan Terblanche and John Langford assessed the case.

In his finding, Foul Play Review Committee Chairman Michael Heron QC ruled the following:

"Having conducted a detailed review of all the available evidence, including all camera angles and additional evidence, including from the player and submissions from his legal representative, Mark Martin QC, the Foul Play Review Committee upheld the Red Card under Law 9.20."

"With respect to sanction the Foul Play Review Committee deemed the act of foul play merited a mid-range entry point of 6 weeks due to the World Rugby instructions that dictate any incident of foul play involving contact with the head must start at a mid-range level. Taking into account mitigating factors including the Player's clean judicial record, his acceptance of foul play and his expressed remorse, the Judicial Committee reduced the suspension to 3 weeks."

"The Player was informed of his ability to apply for the Head Contact Process Coaching Intervention. Any player who has a citing or red card upheld by a disciplinary panel for foul play involving the Head Contact Process may apply to have the final week of their sanction substituted by undertaking a coaching intervention that specifically addresses the technical tackle/contact technique-error that caused or contributed to the foul play. This intervention will be

overseen by the World Rugby Coaching Intervention Expert Review Panel – a panel of expert independent coaches - and is only be available to first time offenders."

"The player is therefore suspended for 3 weeks, up to and including 29 April 2022."

All SANZAAR disciplinary matters are in the first instance referred to the Foul Play Review Committee to provide the option of expediting the judicial process.

For a matter to be dispensed with at this hearing, the person appearing must plead guilty and accept the penalty offered by the Foul Play Review Committee.
