### **SANZAAR NEWS RELEASE**

#### **Scott Barrett suspended for 4 weeks**

The SANZAAR Foul Play Review Committee has accepted a guilty plea from Scott Barrett of the Crusaders for contravening Law 9.13: A player must not tackle an opponent early, late or dangerously, after he was Red Carded during a Super Rugby Pacific Match at the Weekend.

Barrett has been suspended from all forms of the game for 4 weeks, up to and including 13 May 2022.

The incident occurred in the 45th minute of the match between the Crusaders and Blues played at Orangetheory Stadium in Christchurch on 15 April 2022.

The SANZAAR Foul Play Review Committee of Michael Heron QC (Chair), Stefan Terblanche and John Langford assessed the case.

In his finding, Foul Play Review Committee Chairman Michael Heron QC ruled the following:

"Having conducted a detailed review of all the available evidence, including all camera angles and additional evidence, including from the player and submissions from his legal representative, Aaron Lloyd, the Foul Play Review Committee upheld the Red Card under Law 9.13."

"With respect to sanction the Foul Play Review Committee deemed the act of foul play merited a mid-range entry point of 6 weeks due to the World Rugby instructions that dictate any incident of foul play involving contact with the head must start at a mid-range level. Taking into account mitigating factors including the Player's acceptance of foul play, his expressed remorse and pleading guilty at the first available opportunity, the Judicial Committee reduced the suspension to 4 weeks. The Player was not entitled to the full 50% reduction due to a prior similar offence."

"The Player was informed of his ability to apply for the Head Contact Process Coaching Intervention. Any player who has a citing or red card upheld by a disciplinary panel for foul play involving the Head Contact Process may apply to have the final week of their sanction

substituted by undertaking a coaching intervention that specifically addresses the technical tackle/contact technique-error that caused or contributed to the foul play. This intervention will be overseen by the World Rugby Coaching Intervention Expert Review Panel – a panel of expert independent coaches."

"The player is therefore suspended for 4 weeks, up to and including 13 May 2022."

All SANZAAR disciplinary matters are in the first instance referred to the Foul Play Review Committee to provide the option of expediting the judicial process.

For a matter to be dispensed with at this hearing, the person appearing must plead guilty and accept the penalty offered by the Foul Play Review Committee.
